CIG 605

Asst. Director for Reports and Estimates
Director of Central Intelligence
Organization and Functions of ORE

*original copy in
ORE - Scientific
Intelligence*

1. The instructions contained in memoranda referred to below are hereby rescinded:

a. Memorandum to Assistant Directors and Chief of ICAPS, subject: "Operations - Intelligence Relationship of CIG with JRDB," dated 13 March 1947.

b. Memorandum to Assistant Directors and Chief of ICAPS, subject: "Establishment and Functions of the Nuclear Energy Group, Scientific Branch, ORE," dated 28 March 1947.

2. With the elimination of the Nuclear Energy Group you are charged with complete responsibility for the administration and operations of your Scientific Branch in the same manner as for other branches of your office.

3. a. The Chief of your Scientific Branch, in addition to his normal duties as Chief of Branch:

(1) Will maintain direct liaison with the Research and Development Board, and supervise and control direct liaison of members of his branch with that Board in connection with scientific intelligence matters.

(2) Will advise the Director of Central Intelligence on scientific intelligence matters of such nature that direct contact is essential.

b. The Chief of your Scientific Branch will keep you fully informed of any direct contact and action in connection therewith under the authorization given above.

4.

25X1

Signed

R. H. HILLENKOTTER
Rear Admiral, USN
Director of Central Intelligence
